

## Indian Education for All Implementation Assistance Grants Round 1 Awardees

Organization	Project Director	Description	Contact Information	Amount Funded
Confederated Salish & Kootenai Tribes	Charlene Petit	The tribe will digitize appropriate resources to be available statewide in the form of teachers units. They will work on a professional development Program for off-reservation teachers.	PO Box 278 Pablo, MT 59855 (406) 675-2700 (406) 675-2014 (fax)	\$11,500
International Traditional Games Society	DeeAnna Leader	The International Traditional Games Society will develop a document with recommendations to integrate Indian education concepts, based on tribal games and tribal health, into health education curriculum. This development will occur through a three-day curriculum session that brings together physical education teachers and curriculum directors. After the development, the curriculum will be piloted in volunteer school districts and refined based on those pilots.	1020 10 <sup>th</sup> Ave. North Great Falls, MT 59405 (406) 360-1936 (406) 268-7450 (fax)	\$11,071
Miles Community College	Robin Gerber	Miles Community College will refine its workbook "Full Circle: Ideas to Integrate Native American Culture into the Curriculum" to include ideas and reproducible pages intended for incorporation into lesson plans of Montana K-8 classrooms. The workbook will focus on incorporating Montana tribal specific information into the lessons.	2715 Dickinson Miles City, MT 59301 (406) 874-6193 (406) 874-6282 (fax)	\$13,500
Montana State University Billings	Marsha Sampson	Montana State University – Billings will offer a three-day teacher institute where participants will produce a number of K-12 lesson plans relating to Montana Indian issues and/or history that are tied to the Essential Understandings and Montana content standards.	1500 University Drive Billings, MT 59101 (406) 657-2085 (406) 657-2131 (fax) <a href="mailto:msampson@msubillings.edu">msampson@msubillings.edu</a>	\$14,985
